# OAKCREST CAMP OPENING AND CLOSING ASSIGNMENTS 2023

Each stake that participates in Oakcrest has the opportunity to help open and close the camp. Because these assignments are rotated, your stake will not need to help every year, but your stake will be given an assignment every few years. We thank your stake in advance for fulfilling this assignment.

The stake high councilor for Young Women is responsible for finding members of your stake to fulfill this assignment. Each stake should provide Sister Sherrill Naylor, a member of the Oakcrest Women's Committee, with contact information for the person who will be over this assignment.

**Twelve** people should be assigned to provide this important service. Preferably, half of them should be men, and all must be 16 years of age or older **(no children under 16 due to liability issues)**. This service project will last approximately three hours. Additional information with specific details pertaining to your stake's assignment will be forthcoming prior to May 13. A continental breakfast is provided for all volunteers at camp. Oakcrest is a beautiful place to serve and everyone who has participated says it is a lot of fun.

For your information, there are other service projects available at Oakcrest, please contact us if you would like more details. We will be grateful for the help!
