

## OAKCREST CAMP OPENING and CLOSING ASSIGNMENTS 2018

Each stake that participates in Oakcrest has the opportunity to help open and close the camp. Because these assignments are rotated, your stake will not need to help every year, but your stake will be given an assignment every few years. We thank your stake in advance for fulfilling this assignment.

It is requested that each stake provide Sister Debbie Dangerfield, a member of the Oakcrest Women's Committee, with contact information for the person who will be over this assignment. We are also asking that each stake assign **twelve** people to provide this important service. Preferably, half of them should be MEN, and all must be 16 years of age or older. This service project will last approximately three hours. Additional information with specific details pertaining to your stake's assignment will be forthcoming prior to May 19th. A continental breakfast is provided for all volunteers at camp.

Also, for your information there are Eagle Projects available at Oakcrest, please contact us if you would like more details. We will be grateful for the help!
