

Laurel Buddy Agreement

The Laurel Buddy and parent/guardian of her assigned camper must read and sign this form. The form must then be attached to the Laurel Buddy's registration form. Oakcrest Girls Camp must receive the Laurel Buddy's registration form, along with this **signed** form, in order for the camper's registration to be processed.

As a Laurel Buddy, I understand and certify to the following:

- I will stay with and assist my assigned camper at all times under the direction of the counselor. My responsibilities may include, but aren't limited to, the following:
 - Helping my camper get to the activities and making sure she stays with her assigned counselor group.
 - Helping my camper communicate appropriately with other campers in the camp.
 - Assisting with any physical or emotional needs of the camper, as requested by her parent(s)/guardian(s).
- Because of the limited time allowed, I may not have the opportunity to participate in all activities. Campers will be given first priority.
- I do not require any assistance for any personal emotional or physical problems.
- I have met with a parent/guardian of my assigned camper to discuss his/her expectations and understand how to best assist the camper and meet her needs.
- If I cannot meet the needs of the camper, and it is determined that she has to return home, I will return home as well.
