

## Oakcrest Camp Opening and Closing Assignments 2024

Each stake that participates in Oakcrest has the opportunity to help open and close the camp. Because these assignments are rotated, your stake will not need to help every year, but your stake will be given an assignment every few years. We thank your stake in advance for fulfilling this assignment.

The stake high councilor over Young Women is responsible for finding volunteers in your stake to fulfill this assignment. Each stake should provide Sister Kim Peterson, a member of the Oakcrest Women's Committee, with contact information for the person who will be over this assignment.

**Twelve** volunteers from each stake should be assigned to provide this important service. All must be 16 years of age or older (**no children under 16 due to liability issues**) and be able to do physical work. This service project will last approximately three hours. Additional information with specific details pertaining to your stake's assignment will be forthcoming. A continental breakfast is provided for all volunteers at camp. Oakcrest is a beautiful place to serve and everyone who has participated says it is a lot of fun.
